**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good for America, it's in our genes. Please keep smaller and more personal providers -- businesses like Sonic -- from being swallowed up by the Comcasts and AT & Ts out there.

Broadband service is critical for those of us who are older and want to remain self sufficient, informed and involved.
